

KUSILUKA AGINIWE J.

WORK EXPERIENCE

Cofounder & Chief Strategy Officer | Ekima Interactive

Jan 2025 - Now

- Spearheaded the strategic merger of two leading EdTech companies, Smartdarasa and Smartcore, to form Ekima, an interactive learning platform focused on transforming education in Africa.
- Played a pivotal role in closing a 300M TZS government contract within weeks of Ekima's formation by aligning strategic capabilities and demonstrating national curriculum impact.
- Led market survey involving 250+ teachers, which shaped Ekima's product roadmap integrating Videos, AI, AR, 2D/3D, and VR technologies into curriculum-aligned content.
- Positioned Ekima for scale by onboarding 300+ school owners and engaging in B2B/B2G models for systemic educational transformation.
- Oversaw the consolidation of a 24-person team, culture, and brand identity, while ensuring stakeholder alignment and operational continuity.

Founder & Community Manager | Founders Tanzania

Feb 2021 - Now

- Founders Tanzania is a platform that brings together startup founders from Tanzania, providing them with access to opportunities and visibility. This is achieved by cultivating a culture of opportunity sharing.
- The platform has grown from 18 startup founders to 300+ by April 2024 and 500+ forum members.
- Over 3,000+ opportunities have been shared among members
- Diversified from only sharing opportunities to the start of the Founders Directory, Talent Directory, Founders Fund, Founders Pulse, Founders Safari, Founders Training, and Meetups.

EDUCATION

- Bachelor in Business Administration from The **University of Dar es Salaam** - 2020.
- SeedSpark Entrepreneurship Program by the **Stanford University Graduate School of Business** - 2023

Cofounder & Chief Strategy Officer | Smartdarasa

May 2021 - Dec 2024

- Transformed a startup into an internationally recognized EdTech leader, leveraging 2D/3D, AI, and AR to make STEM learning practical and engaging for African students.
- **Growth & Revenue:** Scaled revenue by launching 2 flagship products and driving 1,520% app download growth and 3,000% brand recognition in <2 years.
- **Leadership:** Built and led a high-performing team of 12 developers (from 3), earning recognition as Top Chief of Operations (Tanzania's Top 100 Executives List, 2022).
- **Impact:** Secured 10+ national/international competition finals, validating product-market fit and innovation.

Founder & CEO | Kampus+

May 2020 - Dec 2023

- Founded and led Kampus+, an edtech startup focused on improving communication and access to information in higher learning institutions. Successfully built a team of 8, secured incubation at the University of Dar es Salaam Innovation and Entrepreneurship Centre (UDIEC), and launched beta testing at UDSM in 2022.

Account Executive | Muda Africa

Sep 2021 - Dec 2021

- Managed LinkedIn lead-generation campaigns for clients in a fast-paced digital marketing firm. Achieved 120% of lead generation targets by the second month through effective messaging, CRM handling, and engagement strategies.

Marketing Manager | Eightskys Consulting

Dec 2020 to May 2021

- Spearheaded B2B marketing efforts for a cloud-based accounting software company. Increased customer engagement by 40% through optimized LinkedIn scripts and expanded market presence through regional consultant partnerships.
